

OCTOBER HAMLET

A WORD FROM OUR VICE PRESIDENT

Wow where has the 2016 season gone. This year has been a year full of nostalgia and excitement for all those involved with our Club.

2016 marks our 40th season at WDNA and what a year it has been. Meetings and discussions about our celebrations started in 2015 but of course spilled over into our current year. A small group of diligent people worked on making 2016 a "year to remember". From our celebration launch back in April to our extremely successful cocktail party in August and then our juniors enjoying a night of fun and laughter. Top this off with the introduction of our 40th anniversary shirts for both players and supporters. To see everyone wearing their shirts with pride and passion sure made me realize what a great club we all belong to. This was made evident when a record number of you all arrived at Kingsway to be part of the whole club photo.

The last and one of the most important celebrations of our anniversary is the launch of the History Book. The work and effort that has gone into making this (about 5 years of work) is truly remarkable and I hope that every family purchases a piece of Hamersley history. Apart from the celebrations some netball was also played. We had a huge amount of teams playing this year – 20 in total. Apart from our Junior 11 & Unders that don't play finals, we had many teams making some type of final, with a total of 7 teams taking home premiership flags. Whether you played in a final or not you should all be very proud of the way you conducted yourselves on and off the courts. In our eyes you are all winners!

On behalf of the 2016 committee we thank you all for your involvement in our club this year, whether as a player, coach, manager, umpire or spectator. Your participation, pride and passion is truly remarkable - "We are not just a club of champions – we are a champion club". We look forward to welcoming you all back for the 2017 season.

Mel Hunter – Vice President 2016
